HIGHER TECHNICAL INSTITUTE CIVIL ENGINEERING DEPARTMENT DIPLOMA PROJECT

DESIGN OF STEEL MOMENT CONNECTIONS

C/9[8

BY: ELENI KASPARI

JUNE 2000

DESIGN OF STEEL MOMENT CONNECTIONS

Ву

Eleni Kaspari

Project report submitted to the Department of Civil Engineering Of Higher Technical Institute,

Nicosia, Cyprus,

In partial fulfillment of the requirements for the diploma of

Technician Engineer

In

Civil Engineering

June 2000

HIGHER PROJECT NO. 1
TECHNICAL 3082

ACKNOWLEDGEMENTS:

The author gratefully wishes to make the following acknowledgements:

She feels the obligation to express her gratitude to her project supervisor Mr. C. Chrysostomou for his great assistance and guidance.

She also likes to thank Mrs. Koulla Panayiotou for helping her with the use of scanner for the examples.

Special thanks to the librarian of the Higher Technical Institute's library, for lending her lots of books.
