submitted to  
the Department of Mechanical Engineering  
of the Higher Technical Institute  
Nicosia Cyprus  
in partial fulfillment of the requirements  
for the diploma of  
**TECHNICIAN ENGINEER**

in

**MECHANICAL ENGINEERING**

JUNE 1995

## ACKNOWLEDGMENTS

I would like to express my sincere thanks and appreciation to my Supervisor Mr. Costas Neocleous, lecturer in the Mechanical and Marine Engineering Department at the Higher Technical Institute, for his valuable assistance and guidance throughout the project period.

Demetriades Theodoros  
3rd Year Student in  
Mechanical Engineering  
H.T.I.

**To my wife for her patience  
and encouragement**
