Preface.....	3
 INTRODUCTION	
How to use this book.....	4
Introducing the system.....	5
 1. System installation	
1.1 Overview.....	6
1.2 System Requirements.....	6
1.3 Preliminary Installation Steps.....	6
1.4 System Installation.....	9
1.5 Getting Started.....	9
1.5.1 Starting the system.....	9
 2. Navigation through the system	
2.1 Overview.....	12
2.2 Interface basics.....	12
2.3 Opening a file.....	15
2.4 Getting Help from the Main Window.....	16
2.5 Exiting the System.....	17
 3. Structures of objects	
3.1 Overview.....	18
3.2 Digit Points.....	18
3.3 Slides.....	18
3.4 Scattered.....	18
3.5 Sorted.....	18
3.6 Wireframe.....	19
3.7 Shaded.....	19
3.8 Transparent.....	19
 4. Transformations	
4.1 Overview.....	20
4.2 Rotation.....	20
4.3 Translation.....	22
4.4 Scaling.....	24

5. Environmental effects

5.1 Overview.....	26
5.2 Clear Air.....	26
5.3 Fog.....	26
5.4 Black Fog.....	26
5.5 Haze.....	26
5.6 Density.....	26

6. Preferences

6.1 Overview.....	28
6.2 Materials.....	28
6.3 Lights.....	29

7. Sorting

7.1 Overview.....	31
7.2 Sorting.....	31
7.3 Interval.....	32
