CHAPTER 1

BEFORE YOU START

1.1 INTRODUCTION

Welcome to the M.P.S System, a Software Tool to Teach Maths in a Secondary School.

After you have had this software installed on your hard disk you will be able to start using the system by following the steps explained in section 1.5 "Getting Started".

The steps for the system installation are explained in detail in section 1.4 "System Installation".

The M.P.S User Manual will help and guide you at the beginning but also any time you have difficulty with any feature of the current system.

Enjoy your tour using M.P.S
