1.INTRODUCTION

The on-line system will allow the users to be informed about the news of the club, the activities and see the photographs from the activities. Also it will allow them to register as members and see the Donators.

The System will operate on all Operating Systems such as:
Windows 98, / 2000 / ME / Xp and Vista.

The System is designed to be simple so that can satisfy the needs of the users / members and the needs of the club too. All the procedures are simple enough for the users / members to understand in a friendly and graphical environment.
