TECHNICIAN ENGINEER
IN
CIVIL ENGINEERING

JUNE 1993.

ACKNOWLEDGEMENTS

I would like to express my sincere appreciation and thanks to my Supervisor, Mr M. Poullaides for his valuable help and guidance during the preparation of this project.

Also I would like to express my thanks and appreciation for the help given to me by Miss Morfo Michaelidou who kindly helped me in the preparation of the architectural drawings. Finally my thanks goes to those who helped me in any way to complete this project.

PROJECT SUPERVISOR: Mr M Pollaides

KIND OF PROJECT: Individual

SUMMARY

To analyse and design a two-storey house
in reinforced concrete

To detail typical slabs, beams, columns and
foundations.

Architectural drawings are provided by the Supervisor
Design according to BS8110
