DIPLOMA PROJECT

WATER RESOURCES

AND
DEVELOPMENT

ANDREAS PASTOS

C/950

JUNE 2001

WATER RESOURCES

AND

DESALINATION

By Andreas Pastos

Submitted to
The Department of Civil Engineering
Of the Higher Technical Institute
For the requirements
For the Diploma of

TECHNICAL ENGINEER
IN
CIVIL ENGINEERING

JUNE 2001

HIGHER TECHNICAL INSTITUTE	PROJECT NO.
	3220

ACKNOWLEDGEMENTS

I would like to thank all the people that helped me to accomplish this project.

My supervisor Mr. N. Kathijotes for all the guide he offered me during this project.
Mr. Ch. Iordanou, Mrs. O. Salangos, Mr. A. Rousis and Mr. A. Papakyprianou for all the information providing me for this project.

Finally I would like to thank everybody who tolerate me during this time!

Thank you all

Andreas Pastos
