TABLE OF CONTENTS

Introduction

Famagusta's web site has been designed to present information about both the town and district of Famagusta, about both the occupied and free areas. In other words, to give a comprehensive image of Famagusta to every one that has access to the Internet and wants to know about the Famagusta.

The main advantage of the web site is its simplicity. Also it has a user-friendly environment and makes use of graphics, video, etc. It has been implemented using modern Web design techniques and the latest Web related software.
