Nicosia, Cyprus
In partial fulfilment of the requirements
for the diploma of

**TECHNICIAN ENGINEER
in
CIVIL ENGINEERING**

Project Supervisor : Mr D. Andreou
Type of project : Individual

June 1995

ACKNOWLEDGEMENT

I would like to express my sincere appreciation and thanks to my project supervisor Mr D. Adreou for his valuable help and guidance during the preparation of this project.

Finally I take this last opportunity to thank all the H.T.I. staff and all from whom I have been acquiring knowledge.

INTRODUCTION

A full structural analysis and design of a two storey house based on architectural drawings was carried out in accordance to BS 8110 and other relevant information obtained in Cyprus.
