3.1 History link
3.2 Athens 2004 link
3.3 Related links link
3.4 About link
3.5 Return home link
3.6 Rings & Flame link
3.7 Search Database link
3.8 Olympic sports link

4. SEARCHING THE DATABASE

INTRODUCTION

Many times, different user manuals can be vague and not user friendly. Based on this fact my aim as a developer of the project was to provide to the users a manual that will help them to easily use the web site and help them with any possible problems they may face.
